In paragraph 3 of my letter No. C.1.1087/50 dated 4-11-1950 I proposed that Sri.K.Tejappa Shetty, B.Sc.(Ag) may be appointed as Secretary of the Committee and promised to send a further report after the stability of the market committee is known.

2. The Collector of South Kanara has reported that the objections raised against the establishment of a regulated market, are engineered by some of the interested traders and others. He therefore considers that there is no need to back out from the question of establishing regulated market committee in the District. In the circumstances, I shall submit necessary proposals to Government for the appointment of a Secretary if only the stability of the committee is confirmed. I am also sending separate report to Government in this regard in my letter of even number and date.
